

## 2016 Examination Results

The Summer 2016 examination results are amongst the best ever achieved by students at Walderslade Girls' School at the end of Year 11 and sixth form study. The validated results are shown below.

Please note that the government headline measure of Progress 8 in KS4 is not representative of the excellent achievements of our students over a wide range of subjects. Within humanities and languages the students who choose to do this component of the Progress 8 measure achieve in line or better with the best non-selective schools in Medway.
