Dear Parent/Carer

Change of the school day from September 2018, joining the Greenacre Academy Trust.

Following on from our consultation with parents and the community we will be making a change to our school day from September 2018. A very small number of parents expressed some concerns at the consultation meeting and as a result, the school will conduct a review of the new school day pattern in March 2019 to assess how effective it has been.

The school week will now run as follows:

Monday - 8.25 am until 3.50 pm with six lessons

Tuesday to Thursday – 8.25 am until 2.50 pm with five lessons

Friday – 8.25 am until 13.10 pm with four lessons. Lunch will be available at the normal time.

This school day pattern will also be followed by Greenacre Academy for the convenience of parents who have children at each school.

May I also take this opportunity to advise you that again following consultation, Walderslade Girls' School has now applied to join what is currently the Greenacre Academy Trust. We anticipate this being formalised by 1 September 2018 at which time the Trust will be renamed.

Can I reassure you that the school name will remain the same, as will the uniform, the staffing structure within the school and the nature of the school as a girls school from Year 7-11 with a mixed joint sixth form.

Yours sincerely
